

Errata for Nor'easter scenarios

Main Tournament Round One

None

Main Tournament Round Two

BFP 48 Ninth Tanks IMPORTANT ERRATA:

BFP 48: SBR 1 line 2. Replace "Huts are wooden buildings" with "Buildings are huts".

ESG 116 Tornado of Souls IMPORTANT ERRATA:

ESG 116 VC should read, the Germans GREATER THAN or Equal to 11 stone building hexes.

Main Tournament Round Three

Ost Front O2 Storm, Five, Five, Five!!!

OST FRONT

#2- STORM 5-5-5

Replace SSR 1: with the following

SSR1. EC is moderate with a Mild Breeze to the Northeast. The River (B21.12) Depth is Fordable, the Current is North to South, and the Force is Slow. There is a two-lane stone bridge from 40Q2-3.

After further discussion with the designer, this essentially is meant to mean that the tanks must cross at the bridge, the infantry can wade across, but only as per B21.41.

Main Tournament Round Four

DB113 Fontenay By Day SSR 4 The German DC MAY set up HIP as a Set DC.

Main Tournament Round Five

None
